RESPONSE AND AMENDMENT AFTER FINAL

This Response and Amendment After Final responds to the substance of the USPTO Advisory Action dated February 10, 2010, which in turn addressed applicants' prior Response and Amendment dated January 20, 2010. This Response and Amendment After Final also responds to recent telephone discussions with Examiner Green, in which it was indicated that the subject matter of dependent claims 4 and 19 would be allowable. Applicants wish to express their appreciation to Examiner Green for candidly assessing the patentability of the pending claims and addressing those issues in a direct manner. Those communications led to this filing.

Please amend the application as follows:

Amendments to the Claims are reflected in the listing of claims that begins on page 2.

Remarks begin on page 10.
